Dear Charles

I could not have been more impressed with the superb meal I had at Sherman's on 21 September 1985. Since leaving Greenville in 1962, I have come back often to visit family, and Greenville has always remained the same over the years. Greenville has always needed a fine dining establishment, and you have provided one with outstanding cuisine.

Our goal in Air Force open messes (clubs) is to provide quality food and service, along with entertainment and programs which meet the needs of our club members. Our income last year totaled \$332 million with \$132.5 million in food sales in our Air Force clubs throughout the world. Our food sales continue to rise each year primarily due to our Culinary Upgrade Program here at Randolph Air Force Base where we train our managers in all aspects of food production.

It will be nice to visit Greenville in the future and enjoy a meal at Sherman's.

Best of luck in the restaurant business.

Sincerely

Charles E. Anderson
