Charles and Staff,

Just a note to let you know that I always enjoy my visits to your restaurant. You don't find many places where the owner goes to every table to speak to and welcome you. The ladies on staff are always there with a smile to take care of you and never leave you to want for anything. The atmosphere is never "stuffy" and you feel you are among friends. These are just the little touches that make you feel right at home.

As I work with the public I have had the opportunity to recommend your restaurant to visitors to Greenville several times. I tell them of the delicious food you serve at reasonable prices, and I always recommend my favorite - South Main Chicken Grill.

Thanks for such a nice dining experience.
